HOGS

If flu invades your herd of hogs, you are in for serious trouble.

Pill pigs may be extra susceptible to swine influenza because of the chilly, changeable weather at this time of year. Adequate housing, good bedding and proper ventilation will help prevent outbreaks in your herd.

While hog influenza is not a major killer, it takes a great economic toll as it lowers feed efficiency, causes losses of weight and lowered fertility.

Steps to help prevent outbreaks of swine influenza in Mississippi pig herds include:

1. Provide well-bedded, well-ventilated and draft-free quarters. Avoid overcrowding and night piling.

2. Watch for signs of influenza-like illness, coughing,

on Market Street.

Louisiana State Alumni Dance To Be Held In New Orleans Friday

The annual dance of the New Orleans Metropolitan division of Louisiana State university alumni will be held Friday night, Nov. 25, in New Orleans, announces Miss Bertha Nagel, president of the Metropolitan division.

Dress will be informal for the affair, which will be held from 8:30 p. m. until 12:30 a. m. at O'Dwyer's ballroom, 100 Jefferson highway, Metairie, New Orleans. Dance music will be furnished by Larry Weca and his orchestra. The ballroom will

be taken over by LSU alumni for the night of the affair.

Chairman of the dance committee is Mr. Thomas J. Jenny of 3439 Live Oak Place, New Orleans, and reservations chairman is Mrs. Rudolph A. Peyregne of 11 Fontainebleau Dr., New Orleans. Tables will be reserved for groups in advance if requested, or guests will be admitted at the door. The dance is open to all LSU alumni and former students.

The dance is an annual affair in New Orleans prior to the LSU Tulane football game, which will be in Baton Rouge this year. Since many wish to drive to the game the following day, said Miss Nagel, the dance hours have been set to end earlier than usual.

The C. A. Breaths will have as their Thanksgiving guests Mr. and Mrs. L. A. Rogers and their two little daughters, Sherry and Natalie, of Hattiesburg.

Thanksgiving

I, God, we give Thee thanks this day. Humbly, in our simple way. For all the gracious gifts which Thou Hast deigned so richly to endow— For life—for every passing minute— For this, Thy world, and all things in it!

We give Thee thanks, dear Lord, for these— The green beneficence of trees. The kindness of rain, the birth Of springtime from a barren earth— The earth that bears the bread we break In gratitude for Thy sweet sake.

We thank Thee, Lord, for healing song. For courage when we feel tall and strong; For all the laughter and the tears That mark the pattern of our years; For truth and trust and constancy. For faith that lets us lean on Thee!

We give Thee thanks for ears to hear: For hearts that find Thy pathways here. For hands to touch, and lips to sing Thy name in every lovely thing— For love that sets our fellow men— For love that sets our fellow men—

AMEN

Travirca - Haas Nuptials Held

Claiming much attention in Hancock County, particularly in the Kiln area, was the wedding Saturday afternoon at 3 o'clock at the Church of Miss Rita Ann Travirca, daughter of Mr. and Mrs. Alvin Travirca, to Mr. Don Ralph Haas, son of Mrs. Melva Haas and the late Mr. Sam Haas, Sr.

The bride chose her sister, Mrs. Leverage Garcia, as her matron of honor and Miss Inez Moran, daughter of Mr. and Mrs. Sylvester Moran, as her maid of honor. Acting as flower girl was little Anne McCallister, daughter of Mr. and Mrs. Robert McCallister of New Orleans and a cousin of the bridegroom; Sam Haas, III, son of Mr. and Mrs. Sam Haas, Jr., of New Orleans, was ring bearer.

Mr. Sam Haas, Jr., was his brother's best man, and his brother-in-law, Mr. Eric Larsen, acted as groomsmen.

The bride, whose mother is the former Miss Carrie Hart, daughter of Mr. Alec Hart, Sr., of Kiln, was graduated from

Kiln High School and is now working in the office of the Mississippi Power Company in Bay St. Louis, Miss.

Mr. Haas was graduated from St. Stanislaus, then attended Pearl River Junior College before going overseas with the U. S. Army, where he served two years in Japan. At present he is employed by the Haliburton Cement Company, working out of Harvey, La.

Following the wedding ceremony, a reception was held at the home of Mrs. Melva Haas in Kiln. The bride's table was covered with a beautiful white linen cloth, hand-embroidered in Panama and brought back by the Sam Haas, Jr. The table was decorated with white chrysanthemums and fern surrounding a lovely wedding cake, decorated with white roses and the traditional miniature bride and groom.

The bride and groom left on a honeymoon trip to an undisclosed destination after the reception.

Last Sunday Mr. and Mrs. L. V. Strickland and son Lonnie, of Chalmette, La., were guests of the Malcolm Greens.

FORESTRY NOTES IT'S TREE PLANTING TIME

But when you plant, make sure it's the right tree in the right place at the right time. Here are some steps on how to get the best results, whether you plant by hand or machine.

Landowners who have been planning or doing something about their acres more suited for trees than for crops or pasture, or who have acres of thinly forested woodland in need of better stocking, are within weeks of the full planting season, which begins in the South usually around November 15th, and continues through until March 15th varying with location and conditions. The Mississippi Forestry Commission has stopped taking order for this planting season. The best time to order is from July 1st until November 1st. You can make your order with the County Agent or County Forester. Each landowner is entitled to apply for 2,000 free seedlings a year plus transportation charges.

WHERE TO PLANT TREES
In old fields not in use.
In open woods.
In woods that need to be changed to different kinds of trees.

CARE OF SEEDLINGS
If seedlings are to be planted within 2 or 3 days, leave them in the bundle and moisten the roots with water. Store in the shade, but where they will not freeze. Feed in seedlings that are to be stored for 4 or more days.

A good planting pattern to follow is a 6 ft. x 6 ft. or a 6 ft. by 8 ft. which will give you 900 to 1,200 trees per acre, ample for reforestation.

Use nursery grown seedlings—the right species—and plant them in the right place at the right time. It is your land, your time and money. Make tree planting an investment for maximum returns.

One million 827 thousand pine seedlings will be planted in Hancock County by the landowners.

The idle acres can be put back in production by planting provided they are protected from fire and managed wisely.

Bay High News

The Bay High Band brought its 1955 football season to a close Saturday night, November 19, at the Homecoming Game. The pre-game parade to the stadium started the festivities. The band's half-time show was entitled "Sky Ride." Through field formations and music the band took the spectators on a space ride through the heavens.

While the band played "The Air Corps March" the band entered the football field in a space ship formation. The first formation on the "Sky Ride" was a visit to a star while the band played "Star Dust." The majorettes danced in the center of the star. The second field formation was a moon, a crescent moon, like the one shining over the stadium and the Homecoming Court. The music the band played at this was the ever-popular "In The Light of the Silvery Moon." From the crescent formation the band went into a sun formation playing "You are My Sunshine." The band left the sun for a visit on a rainbow to the music of "I'm Always Chasing Rainbows." To make the colors of the spectrum the band placed yellow, pink and green pom-poms on the field. Like a rainbow in the sky the rainbow lingered on while the band marched off to the strains of "The Air Corps March."

The band enjoyed playing for the football season and hopes that the fans enjoyed hearing them play and watching their shows and that their playing of the traditional fight songs of Bay High sometimes encouraged our Tiger Team.

ALUMNI DANCE
The Alumni Dance held following the football game Saturday night between Bay High and Ocean Springs was largely attended with members of the Alumni in classes running back to 1926-27. The largest number of Alumni to attend an Alumni Dance was present for the occasion. This Alumni Dance was sponsored by the Senior Class of 1956.

The Public Schools of Bay St. Louis will dismiss Wednesday.

Home Demo. Council Meets; Welcomes Agent

The November meeting of the Hancock County Home Demonstration Council was held at the Home Agent's office on Tuesday of last week.

The President, Mrs. E. P. Gates, welcomed the new Home Agent, Miss Ida Laura Garraway.

Installation of officers for 1956 took place with Mrs. E. P. Gates as president; Mrs. J. P. Rousseau, vice president; Mrs. Ellen Huckabee, secretary and Mrs. Randolph Bourgeois, as treasurer.

day afternoon at 3:40 P. M. for the Thanksgiving holidays and will resume classes at 8:40 a. m. on Monday, November 28.

Plans were made for an all-day meeting at the Agricultural Center on December 8th, for the purpose of working Tier Trays. The project will begin at 10:30 a. m. and at 2:00 p. m. There will be a White Elephant Sale, the proceeds of which will go to the Council fund. All Home Demonstration members are urged to attend.

A number of courtesies were recently extended to Mrs. Frank Smith, who left last week for Ocala, Florida, where she will make her home with her daughter and son-in-law, Mr. and Mrs. Robt. Price. With the exception of visits to Tenn. and Florida, Mrs. Smith has spent most of the last eight years on the Coast, occupying an apartment at the home of Mrs. W. A. McDonald on North Beach. She made many friends while here who regretted to see her leave.

The Vicksburg meeting in which these outstanding Mississippians will participate will be the eleventh membership meeting of the local division of the industry-wide Mid-Continent Oil and Gas Association, Vicksburg attorney E. L. Brunini, current Mississippi-Alabama Division president, will preside over the business sessions of the meeting.

The Mid-Continent Oil and Gas Association is spokesman for the oil and gas industry in this area, and is composed of all elements of that industry. In Mississippi, oil and natural gas development has grown in the short period of 16 years since the first oil discovery, to a position of economic importance to the state second only to the generations-old agriculture and timber industries.

The Mississippi-Alabama Division of this oil and gas industry association was organized in 1944 with headquarters in Jackson. E. D. Kenna, executive vice president, has administered the affairs of the Jackson office since 1945. Today, according to Kenna, oil and gas companies and independent oil men among the association's 477 members are credited with about 95 percent of all the work done in developing Mississippi's oil and natural gas resources.

Besides President E. L. Brunini and executive vice president E. D. Kenna, the association's officers include First Vice President E. A. Vaughney, independent oil producer of Jackson, and seven area vice presidents: George C. Wallace, Jackson; John Callon, Natchez; Robert Lee Jones, Brookhaven; Dennis Granberry, Laurel; Frank Montague, Jr., Hattiesburg; J. Finley McRae, Mobile; and James L. Duffy, Grove Hill, Ala.
